

ORMSTON LIST FRAWLEY LLP

Corporate And Commercial

Our corporate and commercial team of lawyers provides legal and strategic advice to a wide range of clients. Whether our client is new venture or an established public or private corporation, we provide practical and experienced counsel to ensure that our client's specific needs are met.

Key areas served by our corporate and commercial lawyers include:

- company formation and organization;
- corporate and other re-organizations;
- [equity \(share\) and debt financings](#);
- [advising mineral resource and exploration businesses](#);
- [venture capital financings](#);
- purchases and sales of private businesses and divisions of public enterprises, including management buy-outs;
- negotiating commercial contracts, including manufacturing agreements and supply agreements;
- [IP licensing and related advice](#);
- secured and unsecured lending; and
- corporate governance advice.
